

GOOD SHEPHERD PARISH: *Automatic Giving*

Your Offertory donation is the main source of income for our parish, which help us cover all budgeted operating expenses. To assist you with your generous and consistent giving during the year, we have two electronic giving options for your consideration. Both systems can be used to make your Offertory donation, special collections, flower donation, Holy Day donations and others:

1. **WeShare**— With WeShare, it's simple to make online donations to your parish using a credit card or debit card. WeShare is the largest, most experienced electronic-giving provider—serving more than 1,000 parishes across the country. Visit our website, www.GoodShepherdWayland.org and click on the **WeShare** tab on the homepage to get started. For your information, there is a bank processing charge of 4% when you use this service.
1. **Electronic Fund Transfer** (EFT) through your own bank. See details below.

How to set up your EFT giving:

- A) Log in to your online banking service (you will first need to be enrolled for this with your bank).
